Objective

Motivated and detail-oriented Computer Science student with a strong foundation in machine learning, algorithms, and data analysis. Seeking opportunities to apply my technical skills in machine learning and problem-solving to real-world projects, contributing to innovative solutions and furthering my expertise in the field.

Education

Rajiv Gandhi University of Knowledge Technologies, Srikakulam- B.Tech in Computer Science

- **Status:** Currently Pursuing
- GPA: 9.4/10

Rajiv Gandhi University of Knowledge Technologies, Srikakulam-Intermediate June 2020 - March 2022

- GPA: 9.97/10

Abhyudaya High school, Bobbili-High school March 2019 - March 2020

- GPA: 10/10

Skills

- **Programming Languages** - C, Java, Python, Latex, Javascript
- **Machine Learning** - Supervised/Unsupervised Learning, Neural Networks
- **Data Structures and Algorithms**

Projects

Machine Learning Model for CAPTCHA Refinement

- Developed a machine learning model to improve the accuracy of CAPTCHA recognition and refinement using convolutional neural networks (CNNs).

Netflix Clone

- Built a fully functional Netflix-like web application using HTML, CSS, JAVASCRIPT for the front end

Customer Bank Churn Prediction Using Machine Learning

- Created a predictive model using logistic regression and random forest classifiers to predict customer churn for a bank.

Certifications

NPTEL Certificate :- Data Structures Using Python

NPTEL Certificate :- Python for Data Science

Bharat Intern Certificate- Web Development

Certificate of Merit- Naukri Young Turks Exam

Extracurricular activities

General Secretary - Competitive Exam Club June 2022 - June 2024

- Led the club for 2 years, organizing and coordinating competitive exam preparation sessions for fellow students.

Class Representative - Computer Science Department June 2023 - Present

- Served as the representative for the class for 2 years, acting as a liaison between students and faculty.

Student Coordinator - CSE Events, Techniverse (Technical Fest)

- Coordinated all CSE-related events for "Techniverse," the annual technical fest, managing logistics and team assignments.
